FOR RENT—STREET CARS ARE A GREAT CONVENIENCE

To those who live in the suburbs, but, alas, they are a awful nuisance to them who live so close in that they do not need them, and yet must listen to them rattling by late at night and early in the morning. In case of illness or nervousness, it becomes a serious matter. To get a place to live, within two blocks of the business center, and yet be entirely free from the noise of street cars (as well as other noises and crowds) is a rare thing.

That is just what you get at
